July/August 2025

Greetings from Gwen

Wishing everyone an ongoing wonderful summer! It's a time for festivals, fairs, camping, fun with friends and family. Our family will be enjoying several more camping trips, local farmer's markets, and as much as we can pack in.

Many outreach opportunities are on the horizon for Nav CARE. There is always room for more wonderful people to join our us.

Referrals are always welcome - both volunteer and client! 😊

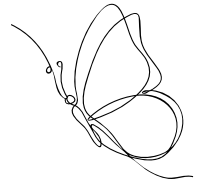

Client Goal

Great news! We reached our goal of 60 clients by the end of June 2025! We continue to grow at a steady, organic pace.
